THE INSPECTOR GENERAL OF POLICE IN MYSORE.

TO *A. H. Hanfundayya Esquire M. A. - M. L.*
THE SECRETARY TO THE GOVT. OF MYSORE,
in the GENERAL AND REVENUE DEPARTMENTS.

SIR,

*I have the honor to
report that the Assistant Superin-
tendent of Police Tumkur intimated
in one of his previous diaries, that
a gang of mendicants under the
name of Bhairagees were wandering
about in the Streets of the Tumkur
town begging for charity, that
they appeared to be Bhavaries who
recently came to the notice of Govern-
ment for having committed a series
of*

of house breakings in Mysore,
French Rocks, Closepet and Tumkur,
that some of the cases having been
detected, they were tried and
convicted, and suggested the
advisability of sending for Police
Officers from Muzafarnagar to
identify the gang with a view to
bring them over for good behaviour.
On the receipt of the Officiating
Inspector General's orders on the
Diary returned to the Assistant
Superintendent of Police, the Assistant
Superintendent of Police, requested
the District Superintendent of Police
Muzafarnagar United Provinces
to send some Police Officers to identify
the gang, loitering in Tumkur.

Accordingly

Accordingly Constable Alla Dia and two Bhavari Chowkedars were deputed on this duty to Junikur.

The Constables identified the gang as Bhavaries, and the local Police placed the gang consisting of 12 members with a charge sheet before the Magistrate under Section 109, Indian Penal Code, for binding them for good behaviour. They were tried and convicted by the General Assistant Commissioner and 1st Class Magistrate, and the order was confirmed on appeal by the District Magistrate Junikur.

The District Superintendent of Police Muzafarnagar forwards a bill for Rs 124 - 2 - 9, being the amount of Railway fare for
three

three men and batta at one anna each for 18 days. I am of opinion that they are justly entitled to their travelling expenses for having been sent to Tumkur on special duty at our request. I beg that the bill herein enclosed may be sanctioned as a Special Case and forwarded to the Comptroller for audit.

Copies of Correspondence on the Subject are also herewith submitted for information

Dear Sir,

I am very glad to hear of the captures of 7 Bavariaks by your Police. Constable Alladin and the two Bavariak chowkhutars will be sent to you during the week in order that they may identify the prisoners. I noted that the Durbar will pay all necessary expenses so will submit detailed bill for railway fare and subsistence allowance. In regard to the Bavariak Settlement I have just submitted a full history of the same for information to Government. At one time the Bavariak Colony was under full provisions of the Criminal Tribes Act, were not allowed to leave their villages without a pass and were guarded by a Special Police Force. This was revoked in 1874. The Bavariak gives little trouble here, preferring to commit crimes at a distance. I have suggested that any Bavariak found outside their district without a pass should at once be arrested under Section 109 C.P.C. If my suggestion is adopted and the Railway Police keep on the look-out, a considerable number of Bavariaks

ought

ought to be taken into custody before reaching
such distant parts of India as Mysore, Benge-
lore etc. If anything is found with the men
you have on custody or anything is confessed
by them concerning their method of remitting funds
or stolen property to their families here, it-
would be a good thing. I believe certain mohogurs
and perhaps the local zamindars receive money
orders and parcels from Banarials absent from
home. One case of this was discovered last
year. Kindly let know result of present pro-
ceedings. The constables and chowkidars have
been ordered to report themselves to you on
arrival,

Yours truly

Sir,

I have the honor to forward
for

for your information a letter dated 18th May 1902 from the District Superintendent of Police, Muzaffernagar, intimating his readiness to send Constable Allaudin and two Bhamniak Chowkidars to identify the suspected members of the Gosai-Gang under observation in Tumkur. This is in compliance with a request made by the Assistant Superintendent of Police as directed by you on his weekly Diary. If the Detectives have left Muzaffernagar already as stated in the enclosed letter, they may be expected to be in Tumkur in a couple of days to see and identify the members of the Gang. Intimation has been received in the Police Department from the District Police Officer Shimoga that a suspected Bhamniak-Gang, whose members were recently convicted of thefts is now in the neighbourhood of Shimoga. The opportunity may be fittingly taken of sending out these Detectives when they arrive, to Shimoga to identify the members of the Gang there.

The training and subsistence allowance according to prescribed rates claimed by the District Superintendent of Police Muzaffernagar for these Detectives may be agreed by the Durbar

as

as it is in accordance with precedent.

Sir,

With reference to your
letter No. 100 of the 26th May 1902 for-
warding letter of the 18th May 1902
from the Dist. Sup^t of Police Mangalore
intimating that a constable and two Chow-
-kidars have been directed to report
themselves to your Assistant Superintendent
for the purpose of identifying the suspected
gang of goons under observation and asking
for

for the railway and other charges incurred by them, I have the honor to state that I am not aware of the need for having sent for them at our cost. Previous sanction to do so was not obtained. The Assistant Superintendent is suggested in his diary the advisability of hinting to the British police to come and see the suspected parties to find out if they wanted them etc; and he was told that he might do so himself.

To,

C. Madhava Esquire,

Inspector General of Police

in Mysore.

Sir,

I have the honor to forward herewith

a bill of railway fare and daily allowance for Rs 12/11-2-9 furnished by the District Superintendent of Police Muzaffarnagar, United Provinces, and to request that you will be so good as to obtain the special sanction of Government for the expenditure incurred in dealing with a Bawari gang under the provisions of Sec. 109 C. P. Code.

2. Three witnesses had to be obtained from Muzaffarnagar and the circumstances under which they were sent for, are set forth in my letter No 100 dated the 26th May 1902.

3. The late Inspector-General of Police raised objection (vide his No. $\frac{5397}{368}$ dated the 31st May 1902) to incurring this expenditure; but this could not be avoided as, without the evidence of the three individuals sent by the Dist Supt of Police Muzaffarnagar, the Bawari-Gang composed of 9 persons could not have been successfully bound over for good behaviour.

4. Full account of the Bawaries has been published in the printed pamphlets issued by

by the Inspector-General of Police in 1901
and a copy of the order passed by the
General Assistant-Commissioner and
Class Magistrate in Criminal Case No: 44,
of 1901-02. binding over the gang under
reference is enclosed for information together
with the copy of the District Magistrate's
order on appeal
